

ES-KO International Operations
New Bagram Road
PD 9
Kabul, Afghanistan

3rd June 2009

Letter of Reference

ES-KO International is contracted to supply logistical support services to NATO/ISAF and associated elements of international operations in Afghanistan.

Zadran Group Of Companies currently provide us with our Diesel Fuel requirement for our operations in Kabul.

Zadran Group of Companies has supplied us with a reasonably priced, quality product for several years now and we would recommend them to any potential client.
